Programme financed by the **METI** & by the **host company**.  
 The *student* is awarded a grant of **¥ 700,000 + € 6,600**  
 to cover the cost of the trip, the insurance and basic living expenses

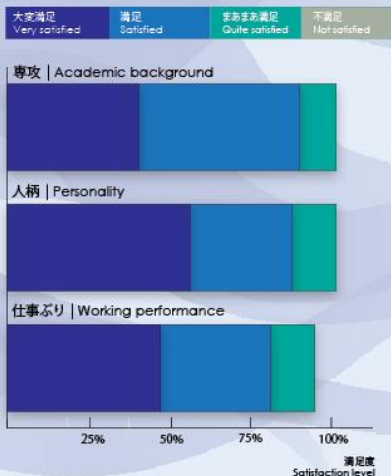

### SATISFACTION AND BENEFITS FOR THE VULCANUS HOST COMPANIES

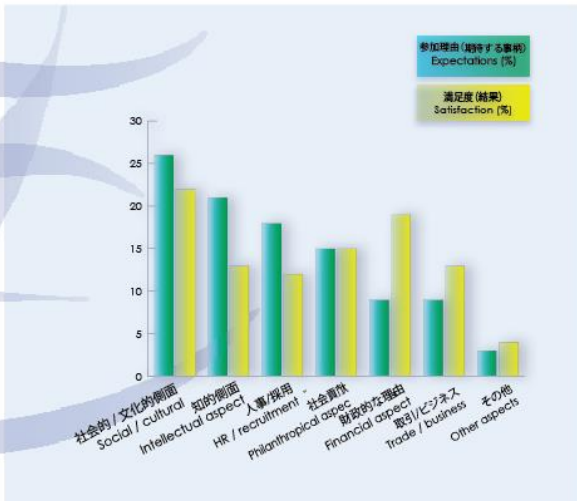

#### HOST COMPANIES' LEVEL OF SATISFACTION WITH THEIR TRAINEES

More than 85% of the host companies are satisfied or fully satisfied with their trainees, as for their background, personality and professional performance.

#### HOST COMPANIES' NEEDS AND BENEFITS OBTAINED

The most cited motivation for hosting Vulcanus students is exposure to Japanese culture and the consequent impact on members of the staff. The host companies are extremely satisfied with the outcome

#### IMPACT ON BUSINESS RELATIONS BETWEEN THE HOST COMPANY AND JAPAN

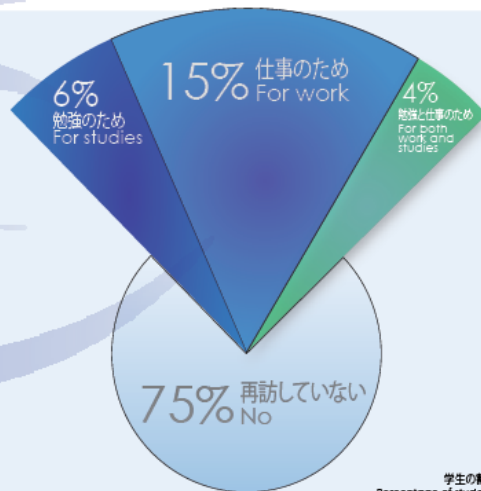

47% of the host companies believed that Vulcanus has had a relevant and wide-ranging impact on their business relations with Japan

#### INTEREST IN EMPLOYING JAPANESE WORKERS, AFTER PARTICIPATION IN VULCANUS

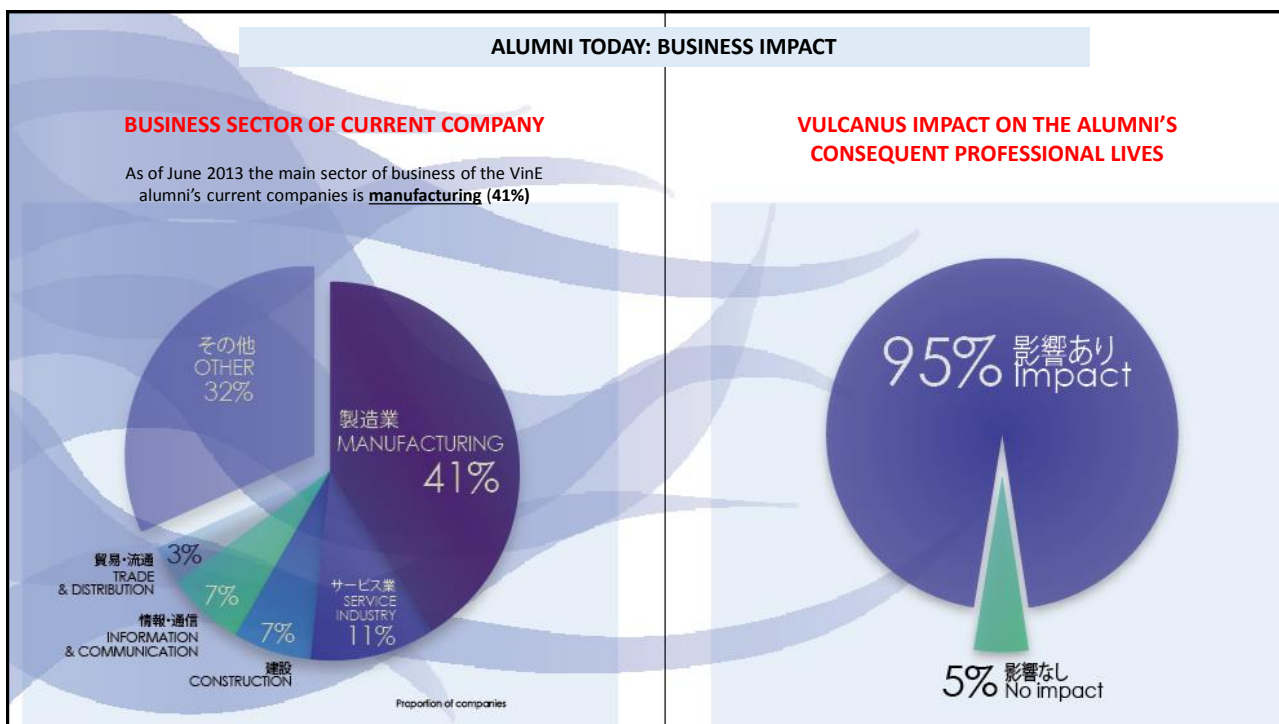

60% of the companies expressed an interest in employing Japanese members of staff, as a consequence of their Vulcanus experience

#### MOBILITY AFTER VULCANUS IN EUROPE

About 25% of the VinE alumni returned to Europe after the programme for a period of work or study
