

Exhibitor at "Optics & Photonics International Exhibition" (OPIE) from 19. - 21. April 2023 in Yokohama / Joint Booth Thuringia No. D-36

International Startup Campus (ISC) – Friedrich Schiller University Jena

As a joint university initiative in a metropolitan triangle in Central Germany the International Startup Campus (ISC) supports East Asian research-based startups and companies to get in touch with the Central German startup and innovation ecosystem. ISC offers access to a network of universities, research institutions and business incubators.
