

EU-Japan Aeronautics Seminar

Bringing Europe and Japan Closer Together

4 July 2017 in Brussels 9h00-13h00

ASD, rue Montoyer 10, 5th floor

In the context of the EU-Japan negotiations for an FTA and a Bilateral Air Safety Agreement, the EU-Japan Aeronautics Seminar, organised in Brussels, will bring together key policy-makers, industry, industrial associations, regulators and other stakeholders to discuss a wide range of issues, such as enhancing cooperation on technological innovations to reduce emissions and noise and improve passenger experience, modernising air traffic management and addressing EU-Japan cooperation on safety issues.
