**NOVELTY AT MIDEST 2016**

From 6<sup>th</sup> to 9<sup>th</sup> December 2016, the big event dedicated to the Industry of the Future, encouraged by the President of the French Republic François Hollande, will be organised in the framework of MIDEST. "Convergence to the industry of the future" will bring together key stakeholders by the major changes, currently facing the industrial sector with a dimension that goes beyond borders of France as, in particular, Germany is the guest of honor.
