

## Circular Economy, SDGs SDGs related activities in ANA Group

**Yoji OHASHI**  
ANA Holdings INC.  
15MAY 2019

## ✈ Existence of many people who cannot travel freely

- For economic reasons
- For the lack of infrastructure
- **For physical reasons**

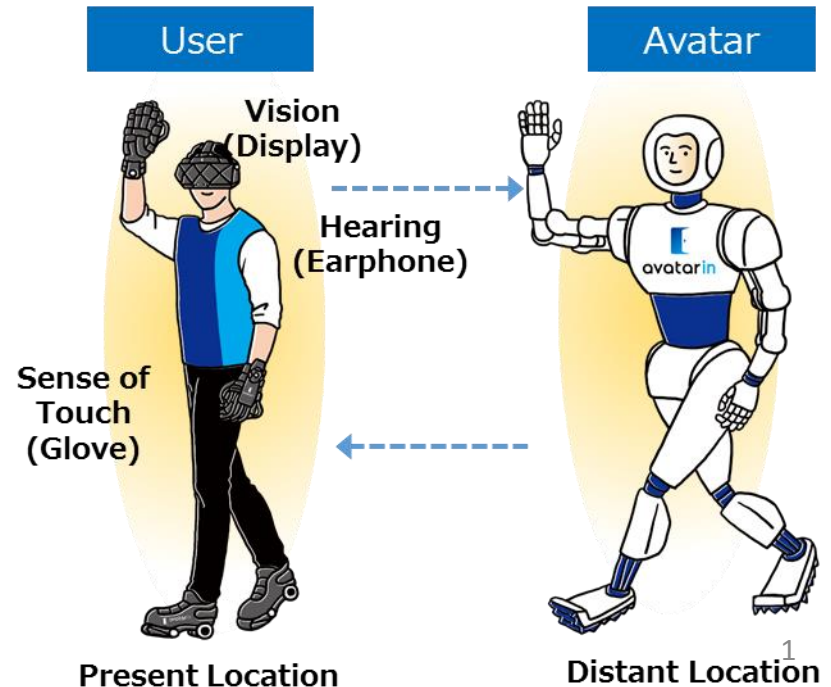

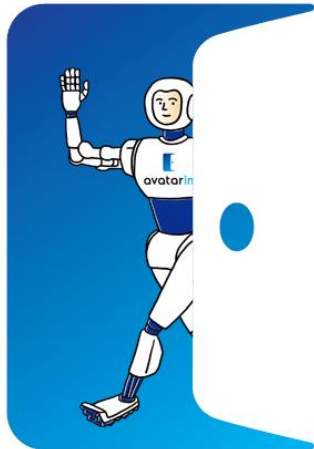

The number of airline users is  
**6%** of the total population

*How we can make a world everyone can travel freely?*

*How we get over the 6% barrier?*

**“AVATAR”** technology can realize **“Teleportation”**.

# EU – Japan Business Round Table

Now

Existing technology

ANA AVATAR
